Victory

**"We have to remember
that in the future
we will want to keep before our children
what this war was really like.**

**It is so easy to forget;
and then, for the younger generation,
the heroism and the glamour remain,
while the dirt, the hardships,
the horror of death
and the sorrow fade somewhat
from their consciousness."**

Eleanor Roosevelt

During the finale of "Kilroy Was Here", the cast will be presenting a salute to all branches of the Armed Forces of the United States. We ask that if you are a veteran, please stand when your service song is played and your flag is presented. From all of us, cast and crew, thank you for your service to our country. We hope that our show brings back some good memories for you and honors those who died for our country.
