CATHERINE CROMWELL

RONNIE R. McNEAL, musical... returns! He directed "South Pacific," Danville Light Opera's first show in the Danville High School Auditorium. No stranger to us all, he has tread the boards for Light Opera in "Show Boat" and "Oklahoma." He is now a vocal music teacher at Southview Junior High School.

HONORE RONAN, dramatic... lends her theatrical wisdom to another cast of Danville Light Opera. She has previously directed "New Moon," "Show Boat," "Naughty Marietta," "Oklahoma," "Of Thee I Sing," "South Pacific" and "Music Man." She is the program director of WDAN Radio.

CATHERINE CROMWELL, choreographer... again waves her magic wand for dancing. She has served as choreographer for 11 out of 16 shows presented by Danville Light Opera. This busy woman, among other things, directs her own dance studio.

MORE ABOUT "KISMET"

Hajj, a beggar, is really a devilish old rascal who constantly tempts fate to provide excitement in his life. Marsinah his young daughter, falls in love with Caliph Abdallah, whom she believes to be a gardener's son. The story of their love, along with the situations Hajj creates, provides the plot for "Kismet."

From this land of seductive winks, Caliphs and harem girls come such songs as "Rhymes Have I", "Fate", "And This is My Beloved", "Gesticulate", "Rahadlakum", "Stranger In Paradise", and "Baubles, Bangles and Beads."

There have been only three types of musical stage entertainments in Western culture that, during their day, have been commercially successful and perfected art forms: Italian Grand Opera, Viennese Operetta, and American Musical Comedy. Kismet is an example of this indigenous American form. While its music is adapted from the Russian, Borodin, and the plot from the Knoblock play, the whole of the show was molded, conceived by Americana, and arises as truly American as, say, an "Oklahoma" or a "Guys and Dolls."

BE SURE AND LISTEN

Be sure and tune in WPBI-FM, Danville, Illinois, on Sunday November 10, at 2:00 P.M. and hear the play-back of the complete show "Kismet" as done by the Danville Light Opera Cast.

IN THE SPOTLIGHT

In the fall of 1955 a group of men and women met at the First Presbyterian Church in Danville. All were interested in furthering the interest of and participating in musical shows. This group has emerged as the Danville Light Opera Company.

Of that group, one man has established a record of loyalty and devotion to the organization that would be difficult to match.

J. Ferd Frost of 1006 Franklin St. has appeared on stage in all 15 productions of the Danville Light Opera Company thus far---and will mark his 16th consecutive appearance in "Kismet."

And it is to him the board of directors of this organization wish to dedicate this program.

Ferd first appeared in the men's chorus of Franz Lehar's "The Merry Widow" when the Danville Light Opera Company made its public debut in the spring of 1956 on the stage at Schlarman High School.

He prides himself on the fact that not one show has gone by in which he did not have at least one line to speak on stage in addition to singing with the chorus.

But Ferd has not concerned himself only with on-stage participation in the organization. He also has very capably directed gathering of stage properties (from pillows to palm trees), designed special lighting effects and worked diligently behind the scenes on set construction.

He has served on the board of directors and was elected treasurer for one term.

Ferd's good nature, non-complaining attitude and diligence to work have made him a very valuable asset to the Danville Light Opera Company.

Away from footlights, he is an electrician at the C&EI Railroad's Oaklawn shops and a veteran member of the Chancel Choir of First Presbyterian Church.

While he is a deeply devoted working member of the Danville Light Opera Company, his wife, Lorene, is equally as active (and also a board member) in Danville's dramatic group, the Red Mask Players.

SCHOLARSHIP PROGRAM

The Danville Light Opera Company would like you to know about its scholarships given each spring to graduating seniors within the county.

This marks the third year the scholarship program has been in existence. The size of the awards last year was \$100 each.

Winners are selected on the basis of scholarship, desire to further musical education, musical ability and achievement, attitude, integrity, citizenship and personality. In addition, they will undergo competitive auditions and individual interviews.

Both instrumental and vocal knowledge are represented in the choice of the audition judges.

Our scholarships are known as the Charles R. Suycott-Velma Dupree Memorial Musical Awards in memory of two Danville residents who contributed much to the growth and success of the Danville Light Opera Company.

The Scholarship Committee consists of: Harold French, Chairman; Dr. Jack Baldwin, Dr. R.J. Westwater and Frank Williams. These are all past presidents.

"CALAMITY JANE"

Our next show, "Calamity Jane", is to be presented April 10th and 11th in the Danville High School Auditorium.

Calamity Jane is a roistering young woman whose barbed tongue and weakness for six shooters, makes life exciting, fun-filled, and sometimes hectic for those she meets. Romance, humor, and edge of the seat excitement promise a production that will leave you chuckling, humming and wishing for more.

Based on the original Warner Brothers motion picture, this production encompasses the film score by Sammy Fain and Paul Francis Webster, including the Academy Award-winning ballad "Secret Love" plus additional songs. It has just been released as a stage production.

The success of each Danville Light Opera production depends on the individual member, whether he participates in the production of the show, or is strictly a member of the audience. You, the membership holder, make the successes. Much work is done behind the scenes. Perhaps you have a yen to splash paint, or hammer a nail, or use an artistic inclination in designing sets. Perhaps you would like to develop impression with color and lights. Maybe you would like to share the opening night excitement by helping to "set the scene" the nights of production.

If you can sew, you might like to work with brightly colored cloth to develop costumes of modern day or eras long past. Serving on the makeup crew brings much enjoyment and satisfaction, developing an illusion with cosmetics. There are also those in the audience with unused directing ability.

Maybe you have that "itch" to perform on the stage as a lead or a singing and/or dancing chorus member. Bright lights, costumes, grease paint, and an appreciative audience create a thrill long remembered.

There are many ways a member can help to make a production successful. There is always a need for people to sell memberships or to help with reservations or seating. Why don't you plan to "lend a hand" in some way this next show?

Contact the president and notify him of your wish to serve. Watch for the announcement of tryouts to be held in February and come sign up to be a cast member.

Remember! - - - "Calamity Jane" - - - tryouts in February - - - Production, April 10 and 11. We will be looking for you.
